

## Human Social Services Documentation of Volunteer Activity

It is ultimately up to the Human Social Service faculty to grant or deny your request to count these volunteer hours toward the required hours for a major in Human Social Services at Wisconsin Lutheran College. Four documented semesters of volunteer experience in the field of human services working with diverse populations is strongly encouraged. **Please be sure to clearly explain your involvement and activity.**

|                   |                |
|-------------------|----------------|
| Student Volunteer | Email Address  |
| Student Phone     | Date Submitted |
