Dear Parent,

This is an exciting time for you as your child prepares to attend Wisconsin Lutheran College in August!

Your student will receive important information from WLC about a variety of topics this summer. We will communicate with them by mail and email. The emails will be sent to their WLC email address (firstname.lastname@mail.wlc.edu), which they are responsible for checking for all college communication.

Here is a list of general information and events you should be aware of; please check [wlc.edu/wow](http://wlc.edu/wow) for updates and specific information.

- June 23** Students will receive information about health requirements and submitting health forms (mail).
- July 7** Students will find out their roommate's name and contact information (mail).
- July 13-14 or 15-16** Students are invited to attend WOW Summer Camp in Milwaukee, an optional summer program for new students; they can register or learn more at [wlc.edu/wow](http://wlc.edu/wow).
- July 14** Students will receive their first tuition statement for fall semester (mail).
- July 21** Students will receive their course schedule, plus information about obtaining textbooks, College 101, preparing for student success, and the 2017 Campus Read (mail).
- August 1** The Student Employment Office will email incoming Federal Work Study students about on-campus employment opportunities (WLC email address).
- August 4** Students will receive an Intro to Student Life and the WOW Weekend schedule (mail).
- August 7** Students will receive their WOW Team Leader information (WLC email address).
- August 25-27** Students attend WOW Weekend (mandatory for all new students; new resident students will move in beginning at 8:30 a.m. on August 25). Parents, plan to attend your orientation on August 25.

Throughout the next four years, your child is going to experience personal growth in many different areas of their life – academic, spiritual, and personal. To help them grow, allow them to address challenges they face by having them contact the appropriate WLC offices on their own. Students will learn to confront issues and find answers themselves as you encourage them and offer guidance. Please be assured that WLC faculty and staff members want students to succeed.

We will post WOW updates on the website, [wlc.edu/wow](http://wlc.edu/wow) and on the WLC Class of 2021 Facebook group. If you would like more information about WOW Weekend, WOW Summer Camp, or WLC in general, please contact me by email ([orientation@wlc.edu](mailto:orientation@wlc.edu)) or by phone (**414.443.8813**).

With this letter, we've enclosed a copy of the **2017-2018 academic calendar** so that you can plan ahead. Also, mark your calendars for WLC Family Day on October 7. Details will be shared later this summer. We also encourage you to bookmark [wlc.edu/parents](http://wlc.edu/parents), a one-stop webpage for the information parents need.

We are excited to welcome your family to campus this fall! God's blessings on the rest of your summer.

Sincerely,

A handwritten signature in black ink that reads "Barb".
