

# WISCONSIN LUTHERAN COLLEGE

## **Alumni Service Award**

Wisconsin Lutheran College is known for preparing Christian leaders, who understand that the best way to show their leadership is through service. For this reason, many alumni of WLC volunteer their time and talents to the college, their churches, and the community at large. Each year, WLC honors one alum with the Alumni Service Award at Winterfest. If you know someone who may qualify for this award, please complete out the online nomination form at [wlc.edu/winterfest](http://wlc.edu/winterfest) describing why the alum should be considered. The Alumni Board will review the nominated candidates and determine the annual recipient of the Alumni Service Award.

Nominees for this award should:

- Be a graduate of Wisconsin Lutheran College, with either a 2- or 4-year degree.
- Be an active Christian leader in his/her community.
  - Community can be defined as Wisconsin Lutheran College, his/her church, or the civic community at large.
- Serve others through time, talents, and/or funds reflecting a heart of Christian stewardship.
