

Wisconsin Lutheran College
Financial Affidavit of Support for F-1 Undergraduate Students

This form is a requirement of admission for all full-time, non-U.S. students, except permanent residents, before an I-20 immigration form can be issued.

U.S. visa regulations require that F visa holders must provide certification of evidence that they will have adequate funds to meet expenses involved in a proposed program of study. The affidavit of support for the first year must certify that the student accepts responsibility for securing adequate financial funding for the course of academic study at WLC. An original bank statement or bank letterhead with signature and seal must be attached to the affidavit to state the funds (in U.S. dollars) can be transferred. An I-20 cannot be issued until an acceptable financial affidavit and certification of finances has been received by WLC.

As is with all WLC student employees on campus, international students are allowed to work up to 10 to 12 maximum hours per week.

Direct Costs (2009-2010 academic year)

- Tuition = \$21,180
- Room and Board = \$7,700
- Housing Damage Deposit = \$150
- WLC International Health Insurance = \$444
- TOTAL = \$29,474**

This amount does not include travel and personal expenses, books and supplies, and emergency costs.

Based on previous years, you should anticipate about a 5% increase in costs per academic year.

Certification of Agreement by Student

I understand that as a non-U.S. student I am expected to engage in full time study at WLC (minimum of 12 credit hours per semester) and I am permitted to work on campus in accordance with immigration regulations. **WLC is not obligated to provide me with employment during the period of my enrollment.**

I certify, as indicated below, that I am responsible for financial support equivalent to the number of semesters that my degree program requires, provided that I am admitted to Wisconsin Lutheran College.

I further certify, by the attached bank letter and/or bank statement attached, that the necessary arrangements can be made to have funds in the amount of \$_____ U.S. dollars transferred to the U.S. during the years of intended study.

In addition, I fully understand that I am responsible for all round-trip travel expenses and additional personal expenses while I am in the U.S.
