

## **Schlueter Art Gallery Exhibition Proposals**

Proposals for exhibitions are periodically reviewed by committee. Please provide the following information:

- Curatorial concept (theme) and how it will complement Wisconsin Lutheran College, The Center for Arts and Performance, and the Schlueter Art Gallery
- First, second, and third timeframe choices: i.e. September/October, October/November, or January/February.
- For a group show, proposed artists (if known) and artwork, or plan to select artists
- Potential community partnerships or resources
- Technical requirements
- For a group show, qualifications of curator or organizing entity, as well as contact information
- Additional pertinent information

In addition, the proposal should include up to 10 slides or digital images (at least 300 dpi) of works which are representative of those to be included in the proposed exhibition. Original works of art will not be accepted for review.

The gallery committee generally meets once each year to consider exhibition proposals. Since these meetings occur infrequently, please allow us to keep your exhibition proposal package for an extended period of time. Send your proposal to:
