

The Wisconsin Lutheran College Servant Leader Society is a newly created giving society that recognizes the generous donations of those who have given \$1,000 or more to Wisconsin Lutheran College during the course of the college's fiscal year.

We've named our giving society the Servant Leader Society for one very simple reason: Every gift helps us carry out our ministry of preparing servant leaders to impact the world for Jesus' sake. Every gift helps us prepare our students for lives of Christian leadership.

In honor of their support of Wisconsin Lutheran College, Servant Leader Society members receive the following membership benefits:

- Recognition on a campus display
- Recognition in the WLC Annual Report
- Invitation to a special donor recognition annual event
- Copy of the annual WLC wall calendar
- Newsletters with updates from President Johnson throughout the year

The WLC fiscal year runs from July 1 to June 30 of the following calendar year. Society membership is based on the total of gifts received between these dates annually. Gifts from matching gift organizations are counted in the total. Learn more at [wlc.edu/ServantLeaderSociety/](http://wlc.edu/ServantLeaderSociety/).
