

## 2-1-1 @ Impact

**Population:** Adults needing referrals for health and family services in Milwaukee County

**Description:** 2-1-1 @ Impact is a 24-hour central access point for information and referral to a variety of family, health, and family services in Milwaukee County. Every year, over 80,000 callers present needs and questions that result in over 125,000 referrals.

**Programs Provided:** Emergency basic needs, homeless crisis intervention, SBIR telephone intervention, and follow-up telephone surveys. Through this interns gain skills in professional communication, active listening, assessment and interviewing techniques, problem solving, effective advocacy methods, dealing with difficult callers, search and research proficiency, database documentation, crisis assessment and intervention, effective team interaction, and knowledge of community resources.

## Lighthouse Youth Center

**Population:** Youth between the ages of 10-18.

**Description:** Lighthouse Youth Center (LYC) is a WELS urban outreach mission committed to being “A beacon for Christ to the youth of the community.” This non-profit youth center has been created to provide after school programming. Our goal is to equip youth and their families with skills necessary to become self-controlled, responsible members of society. Lighthouse Youth Center provides a safe recreational environment where the youth of the community are able to interact with positive Christian role models. We provide tutoring and access to computer workstations. Through collaborative partnerships with nearby schools, we are able to focus on the scholastic needs of individual children and assist them in the most effective way. Community service project opportunities encourage a sense of neighborhood pride. Most importantly, the truths of Scripture are taught, and the love of Christ permeates everything we do.

**Programs Provided:** Lighthouse Youth Center provides life changing ministry opportunities for volunteers. The volunteer experiences include: tutoring, mentoring, games, Christian advice giving, coordinating activities and service projects, and letting your “Light” shine. Lighthouse Youth Center’s after school program operates on Monday through Friday afternoons. Lighthouse is staffed with volunteers from all ages: from congregations and schools all over. LYC provides an excellent opportunity to meet and work with fellow Christians who want to share the life changing name of Jesus.

## Sexual Assault Treatment Center

**Population:** Children and adults who have been the victims of sexual assault

**Description:** The Sexual Assault Treatment Center Volunteer Advocate Program is located at Aurora Sinai Medical Center. Nursing, counseling, and advocacy services are provided to survivors of sexual trauma.

**Programs Provided:** Outside of business hours, volunteer advocates staff the agency crisis line and provide support and information for patients seeking services for sexual trauma. Depending on the patient's wishes, the volunteer advocate may accompany the patient through the interview, exam, and discharge process. Advocate shifts are 4 hours, with available times starting between 4:30 pm weekdays and ending at 8:30 am the following weekday, with 24 hour availability from Friday at 4:30 until 8:30 am the next Monday. Training for volunteer advocates consists of an individual orientation interview with the volunteer coordinator, three 5 hour training sessions that occur over three consecutive Saturdays, and at least one "shadowing" shift with an experienced volunteer advocate prior to take a shift alone. Hoping for a year commitment of no less than one 4 hour shift per week.

## Truancy Abatement and Burglary Suppression Program (Tabs)

**Population:** Adolescents and parents

**Description:** The Truancy Abatement and Burglary Suppression Program is designed to promote school attendance in the City of Milwaukee while deterring daytime crime through the collaborative efforts of the Milwaukee Public Schools, the Milwaukee Police Department, and the Boys and Girls Club of Greater Milwaukee.

**Programs Provided:** Through an internship with TABS interns learn skill like interviewing individual students and parents, assessment, referral, case management, supervising home and school visits, court appearances and IEP meetings. Interns will also attend staff and Steering Committee meeting along with community network meetings. Interns are accepted for spring, summer, and fall.
