We have posted log-in instructions at [wlc.edu/wow](http://wlc.edu/wow). You are responsible for checking your WLC email for official college communication. We recommend that you log in to your WLC email account soon so you do not miss information that is relevant to you as an incoming student.

Enclosed with this letter, you will find a letter from Health Services about submitting your required health information electronically. Please pay close attention to due dates.

Throughout the next four years, you will experience growth in many different areas of your life – academic, spiritual, and personal. We are here to help you on this journey and want you to be successful. If you have questions, please don't be afraid to ask.
