

Warrior Orientation & Welcome Back to School Information

EMAIL

Information about back to school protocol and procedures will be shared with you via your **WLC email address** throughout the month of August. Be sure you're staying up to date by checking your WLC email!

WEB AND SOCIAL MEDIA

You can also visit wlc.edu/coronavirus and wlc.edu/wow for updates. On social media, follow @WLCWOW2020 and join the **WLC Class of 2024 Facebook page**.

HEALTH SERVICES

WLC Health Services is prepared to support your physical health and mental health during the ongoing pandemic. For more information, visit wlc.edu/health.

- Medical services are provided by a nurse and doctor on site throughout the academic year.
- It is vital that you submit your health forms. Student-athletes should use ATS and non-student-athletes should use Patient Fusion. Visit wlc.edu/healthforms for links.
- Counseling services are offered in partnership with Christian Family Solutions. Services are available on-campus, in a local clinic, or via secure video connection. An initial short term set of sessions are offered at no cost.

COMMUTER PARKING ON CAMPUS

If you're on campus to pick up your WLC Warrior OneCard, turn in your parking application and pick up your parking permit. Remember to bring along your driver's license and registration. The parking application is available online at wlc.edu/parking.

RESIDENT PARKING ON CAMPUS

Freshman students are discouraged from bringing a car to campus because on-campus parking is limited. Learn more about parking applications at wlc.edu/parking. Parking application decisions for new students who have applied will be communicated by Friday, September 11.

PLANNING AHEAD FOR STUDENT ACTIVITIES

Some student involvement meetings, events, and classes may be held outdoors, weather-permitting. Please consider bringing a personal lawn chair or bag chair that you can store in your room (residents) or vehicle (commuters).
