

June 2020

Dear WLC Student-Athlete,

We hope you are having a great summer and are excited to see you this fall when you report to campus. We are the Wisconsin Lutheran College Athletic Training Staff:

- **Matt Hendricks**, Head Athletic Trainer
- **Andre Daniel**, Head Football Athletic Trainer
- **Emily Paul**, Assistant Athletic Trainer

We would like to take this opportunity to highlight a few things to ensure that the required forms, paperwork, and screenings go smoothly for you this year.

1. All athletic medical forms are available online at wlcports.com/athletics/sportsmedicine.
2. Under the Sports Medicine header at the top of the page, you will find links to the **Athletic Trainer System (ATS) Portal instructions** and **log-in page**. Please read the instructions, then log in and complete the required information **by July 15**. All forms must be filled out each year, even if there are no changes.
3. All freshman and transfer athletes must have a **sports medicine physical** completed and uploaded to ATS. This physical form can be downloaded from the ATS Portal in the eFiles tab. Print it out and take it along to your physical exam. Once it is filled out by the doctor, you can upload it back into ATS. If you have ADD/ADHD diagnosis, you will also need to print out that form through the ATS Portal, have it filled out by your doctor, and upload it into ATS.
4. Upload a photo or a scan of the **front and back of your insurance card**. Please bring copies of the front and back of your insurance card with you to campus as well. Take the copies of your card with you to your athlete screening session in case there are questions.
5. For athletes who have an **EpiPen**, please carry it with you at all times in case of emergency. If you would like to leave an additional one with the athletic trainer, we can arrange that.
6. For athletes with documented asthma, bring us a **duplicate of your inhaler along with a script** from your doctor.

All athletes must attend their respective screenings in the Athletic Training Room located on the "B" level of the Recreation Complex. The scheduled times are noted below but are subject to change; your coach will provide updates.

- Football athlete screenings: August 12 from 1 to 3 p.m.
- Soccer athlete screenings: August 19 from 7 to 8 a.m.
- Fall sport athlete screenings (non-football and soccer): August 24 from 2 to 4 p.m.
- Winter and Spring sport athlete screenings: September 3 from 2 to 5 p.m.

Thank you for taking time to log in and submit all the required information by July 15. Please let us know if you have any questions or concerns; our email is wlcportsmed@wlc.edu. We look forward to serving you during the upcoming academic year. Go Warriors!

Sincerely,

Matt, Andre, and Emily
