June 2021

Dear Parent/Guardian,

This is an exciting time for you as your student prepares to attend Wisconsin Lutheran College in August! We are honored to welcome you to the WLC community and to have the opportunity to serve your student in their post-secondary-educational journey.

Throughout the summer, your student will receive important information from WLC via mail and email. Emails will be sent to their WLC email address (**firstname.lastname@mail.wlc.edu**). Below you will find an anticipated communication timeline, along with tentative dates for key events. We ask that students pay special attention to updates to health and safety guidelines that are shared.

- June 15** Students will receive information from Health Services about submitting student health forms (mail).
- June 21** Students will receive their Warrior Orientation & Welcome (WOW) team leader information (WLC email).
- July 5** Resident students will find out their roommate's name and contact information (mail).
- July 9** Students will receive their tuition statement for fall semester (mail).
- July 15** Student health forms are due (online).
- July 23** Students will receive their anticipated course schedule, plus information about textbooks, College 101, and preparing for student success (mail).
- August 2** Resident students can sign up for early drop-off on August 24, 25, or 26 (online).
- August 4** Students will receive an introduction to Student Life and the WOW Weekend schedule (mail).
- August 27-29** Students will attend WOW Weekend (required for ALL new students).
 - New resident students who are not competing in fall athletics will move in on August 27 (unless they signed up for early drop-off); details will be shared with students via email and at wlc.edu/wow.
 - New commuting students should check in at the WOW Welcome Center by 1:00 p.m. on August 27.
 - Parent orientation will begin at 1:15 p.m. in the Recreation Complex on August 27. Parents of fall student-athletes may attend an orientation session at their student's early move-in instead.

Throughout the next four years, your student is going to experience growth in many different areas of their life – academic, spiritual, and personal. To assist them in taking ownership of their education, encourage them to contact appropriate WLC personnel when necessary, as WLC faculty and staff members are committed to your student's success.

We will be posting WOW updates, back to school guidelines, copies of mailings, and other important information at wlc.edu/wow. If you would like more information about WOW Weekend or WLC in general, please contact me by email (orientation@wlc.edu) or by phone (414.443.8813). Please help us communicate more efficiently with you by updating your contact information using the form at wlc.edu/parentcontact.

You are invited to connect with WLC on social media (wlc.edu/connect). We also recommend bookmarking wlc.edu/parents, a one-stop webpage for the information parents may need.

We are excited to welcome your family to campus this fall! God's blessings on the rest of your summer.

Sincerely,

Barbara Westness
Director of Student Programming and Orientation
Wisconsin Lutheran College
