MENTAL HEALTH AND COUNSELING SERVICES

A student's experience at Wisconsin Lutheran College can be among the most enjoyable and rewarding of their lives. We know that college life also comes with challenges. It is natural and acceptable for people to want to talk with someone about personal and/or other challenges, including but not limited to the following: boundaries, relationship difficulties, stress, anxiety, depression, substance use, eating concerns, or self-esteem issues.

WLC's partnership with Christian Family Solutions provides an initial, short-term set of counseling sessions to undergraduate students no cost!

- Individual counseling support
- Group counseling options based on need/availability
- Connections to community-based resources for more intensive support such as psychiatric, intensive outpatient, in-patient, etc. *(The individual is responsible for costs associated with these outside services.)*

Appointment/Intake Request

- Student can request services by contacting the Office of Health Services or the Director of Health Services.
- Student can text **WLCHELP** to **484848** and a link will be sent to their phone to complete an intake/request.
- Students have access to a 24/7 counseling crisis line: **1.800.438.1772, option 1**.

HEALTH AND WELLNESS PROGRAMS

Workout Facilities: During specific hours, students have access to the Time of Grace Center (gym), the Fitness Center, and the Sports Performance Center, all located in the Recreation Complex (REX).

Campus Programming and Partnerships: Health Services collaborates with community partners and on-campus departments and groups to promote health and wellness through a variety of programming options.
